## October 2014 Newsletter

#### RAMBLINGS FROM THE PRESIDENT

Butch, KC7MBR, MMRG Board member, is dealing with medical issues and has been unable to be as active as he would wish to be.

I'm sorry to say one of our members, Lloyd Helgunseth WA6ZZJ, is very ill and has begun hospice care at home. Lloyd has been an active member of the Ham community and a leader in ARES/RACES. He and his family have attended almost all of our picnics and Caliche Capers. Please remember him in your prayers.

Another one of our members, Nancy Crouch, wife of Dan Crouch, KF7TZT, fell down October 3 and broke her upper right arm in several places. She is facing surgery very soon. Prayers for her quick recovery are in order New members since the last newsletter are:

KF7ANX Frank, Chino Valley; N7NRE David, Prescott Valley; AD7UR Rich, Prescott; W1DGL Mike, Prescott; KE7SA Chuck, Chino Valley; N7OYY Dixie, Chino Valley; W7MJD Mike, Prescott; W7SUA Tom, Chino Valley; and N7LXX Lang, Clarkdale.

### A hearty Welcome to all of you from the Mingus Mountain Repeater Group

If I missed anyone, let me know and my apologies to you.

Note: In the next few weeks WA7UID, the Treasurer, and KB7CN, the keeper of the roster, and I are going to be going over the online roster, the paper roster and the e-mail list. These will be coordinated with paid up members. We haven't been doing this so there are many on the lists that aren't and haven't been paid up members. So, if you want to remain on the e-mailing list and rosters, now is the time to renew. The MMRG dues year is from June 1 to May 31 of the following year. Most groups and clubs normally remove people from the rosters whose dues are more than 3 months in arrears.

A new antenna for the Mingus Mountain 147.0 repeater has been installed with new feed line. A number of you have contributed towards this antenna, which we all appreciate very much. For those of you who don't know, these commercial mountain top antennas with a fair amount of gain are quite expensive: over \$1,500.00 including sales tax and shipping. Due to their length, they have to be shipped by motor freight. What I am saying is if you feel able to help out with the antenna fund we would appreciate your support. Make checks payable to MMRG and mark Antenna Fund with your call sign at the bottom. Send them to our Treasurer.

His Address is: MMRG c/o Phil Hazlett WA7UID 5330 W. Electra Lane Glendale Arizona 85310

There is going to be a new Hamfest November 15 in Congress Arizona. The flyer is at end of this newsletter.

Thanks and 73 Bob K7POF

#### **Vice President Ray N6MY**

There were two major happenings since the last newsletter. Bob, K7POF, with some significant help from two local hams – like climbing and working at the top of the tower -- successfully installed a new antenna and new hardline at the Mingus Mountain repeater site. Results seem to indicate that the repeater coverage has been improved. The other happening was the Caliche Caper hosted by Bob, K7POF, and Linda, W7POF. Although this annual picnic is not directly related to MMRG, many of the 78 attendees are typically MMRG members. In any case, it was a "hoot" as usual. Many thanks to Bob and Linda for making this great event happen each year. Although I had minor roles in these events, I continue to feel honored to serve as Vice President in the roles that President Bob assigns to me.

73 Ray N6MY

#### **Phil WA7UID Treasurer**

#### TO ALL MEMBERS:

I would like express my sincere thanks to all of our members for rejoining, New Members who keep our ranks from thinning,

and the existing members who keep paying their dues, and members and non members who donated generously to the Antenna

fund.

I also want thank all the people who devoted time to take part in antenna installation and members who do site work.

I would also like to express a big vote of thanks to Jim who runs the net every Tuesday night.

Pat Mathews I wish I could have visited her when was injured but I was recovering myself.

I want to give a vote of thanks for all the years she was Secretary for the Group. She kept me out of trouble when I was president.

Now for our President. This is one devoted Ham who spends so much time in keeping this Group's equipment in operation, and then

there is all the organizing for the Caliche Caper and the members who bring good food and help with the cooking and cleanup.

One other thing. Anyone who would like to have the job of Treasurer please tell K7POF.

This is WA7UID, and GOD speed.

#### **Secretary Lori WA7EDI**

Every so often I get that question from one of my non-ham friends that you too undoubtedly hear. "Is ham radio still around since we have cell phones, internet, Skype, and so many other modern ways of communicating?" When I look at my recent calendar I see that ten of the thirty days in September were involved in major amateur radio activities.

- The ARRL Southwestern Division Convention was extremely well attended by very active amateurs. Tech sessions stressed emergency communications, vendors were selling equipment, DXpeditions are in the planning stage.
- Caliche Caper Saturday at the Sitterleys was another great example of an opportunity to get together with other amateurs in friendship and to exchange ideas about our radio interests.
- I hear regularly of VE test sessions that have brought new hams into this amateur radio community.
- Several groups have contributed equipment to young hams who are starting out.
- The Sunday morning Arizona RACES net has approximately 50 members, and the daily ATEN (Arizona Traffic and Emergency Net) has about 27 members.

I'd say ham radio is still around! I hope you are getting this message out to those who ask that familiar question.

Prepperfest, an emergency preparedness event scheduled at Scottsdale's Westworld on October 25 and 26, is an event which includes a booth to educate the public on the services provided by amateur radio, an entity that is DEFINITELY ALIVE AND FLOURISHING. You might like to attend Prepperfest, or even help out with working the booth. Email me if you need more information.

73,

Lori, WA7EDI

#### PEGGY WILLIAMS KD7AWU Board member and Greeting Card Correspondent

A huge thank you to Jim WB7UZV for putting the MMRG Tuesday net on the air. 73 Mike Williams, KC7QKS and Peggy William, KD7AWU

#### Linda W7POF MMRG Board Member and Historian

Please report any and all changes to your email, call sign, etc. to our Roster keeper, Jerry Roberts. Please email him at <a href="mailto:jroberts@q.com">jroberts@q.com</a>, and to our Webmaster, Bob Sitterley, K7POF. Please email him at <a href="mailto:k7pof@verizon.net">k7pof@verizon.net</a> in order to keep the roster as well as the website accurate.

147.000 morning roundtable "Emperor" Bill Boggs KD7VLL Seligman, AZ **And Monday thru Friday control Station** 

Every morning between 6:00 a.m. and 7:00 a.m. there is an open round table on the 147.00 repeater which at that time also has links to 70 CM in Phoenix and a VOIP program called CQ-100 which is a licensed ham only internet link to the world. Also Echolink node 17398.

Everyone is welcome to join in.

#### Bill KD7VLL

Dan Crouch Prescott Valley, AZ

#### 147.000 morning roundtable Sunday Control Station

Loren Singh AE7CG Prescott Valley, AZ

My best DX contact in September 2014 on 20M CW was working P43E located in Aruba, just to the north of Venezuela. The rig here is a vintage 1978 Yaesu FT-7 running 10 watts, and the antenna is a Hygain AV-14AVQ trap vertical.

73,

Loren, AE7CGPrescott Valley, Arizona

Tuesday evening MMRG net

#### Jim WB7UZV NCS

Hi to MMRG members,

Well it's been a very good year for the Tuesday night net. We've had lots of first timers checking in and great support from our regular members.

I am enjoying being net control and once I figure out what I'm doing things will run a lot smother. Hi Hi. I wish everyone a great 2014 and hope to hear you on the Tuesday night net.

73, Jim WB7UZV

Don WB7TPH Prescott VE team leader

Cell phones can **NOT** be used as calculators. **NO** exceptions! See note below regarding Federal Registration Number (FRN)

Sponsored by Yavapai Amateur Radio Club

If you have a question or problem, e-mail <a href="mailto:testing@w7yrc.org">testing@w7yrc.org</a>

Upcoming Tests in Prescott, Arizona

2014 Schedule

November 8, 2014, 9:00 A.M. Saturday at Jeep Posse

#### Prior to the Test

\*\*\*Follow these simple steps to your new license\*\*\*

#### 1.

#### Click here to pre-register online

Pre-registration is highly recommended to better serve you.

Pre-registration must be completed at least 48 hours prior to the test. If this is not possible, walk-ins will be accepted.

2

**If you will be taking the Technician exam**, you will be required to enter either your Social Security Number or <u>Federal Registration Number</u> (FRN) on the application form and test sheet.

For your safety, we recommend that you pre-apply for an FRN in advance of the test session. You do not have to hold any kind of license to apply for an FRN. This may be done on-line at:

http://wireless.fcc.gov/uls/index.htm?job=about\_getting\_started

**If you are taking the General or Extra Class exam,** you will already have an FRN number and it will show on the front of your license.

3.

Anyone with special needs, please call Don WB7TPH at 928-775-4690 or e-mail testing@w7yrc.org a minimum of 2 weeks prior to the test date. We will do everything we can to accommodate you.

4.

Come to the test location on time. Tests are administered at the Jeep Posse Bldg. in Pioneer Park off Commerce Drive behind the outdoor hockey rink. Commerce is between Willow Creek Road and Pioneer Parkway (see map below)

5.

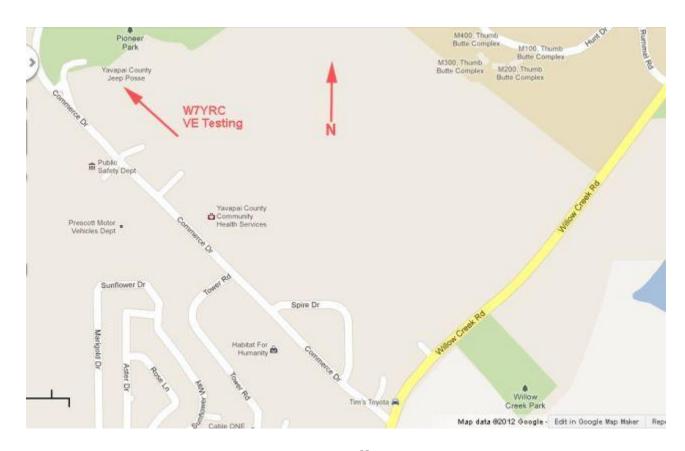

## Bring the following items to the test:

- Photo I.D.
- \$15.00 (Correct change please, or checks made payable to ARRL/VEC)
- Blue or black pen, and two #2 pencils and eraser
- Calculator. If you plan on using one, the memory must be cleared. Cell phones cannot be used as calculators. No exceptions!
- Current license. If you are upgrading, you MUST bring the signed original of your current license and a photocopy of the same license.

Jeep Posse Bldg. in Pioneer Park off Commerce Drive behind the outdoor hockey rink.

Commerce is between Willow Creek Road and Pioneer Parkway

## Map to test facility

**GPS Coordinates** 

(34° 36' 42.69" N, 112° 27' 49.01" W) (Elevation 1602 meters)

### Current Question Pools

- The current Technician Class question pool that became effective July 1, 2014 is valid though June 30, 2018.
- ♦ The current General Class pool that became effective July 1, 2011 is valid until June 30, 2015
- The new Amateur Extra Class question pool including graphics and diagrams became effective July 1, 2012 and will remain valid until June 30, 2016.

# Arizona Amateur Radio Club VE Group

VE sessions are held the fourth Saturday of each month.

These test sessions are held at 7:30 PM at the American Red Cross building,
6135 N. Black Canyon Highway

(service road on east side of Black Canyon Highway just north of Bethany Home Road)

Anyone wishing to attend a test session at the American Red Cross should send an email to Gary, K7GH, (K7GH@arrl.net) or call Gary at (602) 996-8148 at least a day prior to the test session.

#### AA7OV AL BARBER BOARD MEMBER

The full color copy of the ARRL Southwest newsletter with pictures and Hamfest flyers can be found at www.az-arrl.org or http://www.arrl.org/Groups/view/arizona
